For more information or to volunteer, call 503-928-4655 or email cleanup@northtabor.org.
Volunteers are needed to direct traffic, sort and reclaim recyclable/reusable materials, unload materials into containers, for traffic direction, and to help deliver recyclables to a designated destination with your vehicle at the end of the event.

Sponsored by: North Tabor and Mt. Tabor Neighborhoods, METRO, Portland Bureau of Planning and Sustainability, and Southeast Uplift. With assistance from Oregon Reuse Alliance, Laurelhurst Café, and McFarlane's Bark.

2014 North Tabor/Mt. Tabor Neighborhood Cleanup Event - April 26th

Mt. Tabor and North Tabor Neighborhood Associations team up to offer neighbors the opportunity to responsibly and efficiently dispose of unwanted items. The neighborhood Clean Up coordinators volunteer to organize the event and funds from Southeast Uplift, City of Portland Bureau of Planning and Sustainability and Metro make the event possible. The goal of the event is to reduce materials flowing to the landfill by recovering, reusing and recycling while creating a sense of community by fostering responsibility and hosting an event that brings neighbors and neighborhoods together.

Know your load! So that your items can quickly get to the right location(s) and speed up your transit time through the stations. Spent/damaged items go to recycling or landfill and good condition items go to the Resale Area/Reuse Collection. Items with remaining useful life will be offered for sale until 12:30 at which time the remaining items will be donated to Community Warehouse, Habitat ReStore, Community Cycling Center, and possibly SE or NE Tool Library.

♦Recycling collection areas:

- Scrap metals.** (please have those items segregated in your load.)
- Large wood debris.** (no compost, no dirt, no sod).
- Styrofoam peanuts.** (volunteers needed to transport these to UPS on Hawthorne at 1pm)
- Electronics and Styrofoam block.** (Green Century is collecting at the event)
