Agenda Items

1. Greenway mitigation & Diverters

- to mitigate spillover from greenway diverter on 53rd, speedbumps will be installed on 52nd, 53rd, 56th. Parking will be removed on 55th.
- Diverters report will be presented to city council next week
 - expected that the threshold (1,500/day or 100/peak hr) for diverters will be above any of the streets on the Davis/Everett greenway
 - Terry requested new count on 53rd between Everett & Flanders
 - Temporary diverter program is not funded/no direction from council

2. Communications Committee

- Next issue of Note will be printed Monday
- Delivery set for 9/29
- New signs will be double-sided. **Devlyn** will order.

3. Arts committee

- Discussion of possible future mandalas
- Discussion of future committee projects/focus
- Discussion of concerns about increased rents resulting from arts projects

4. Previous Minutes Approved

5. Resident's concern about imagery of Big-Ass Sandwiches

- Board decided to take no action

6. Wrap-up

- Resident had questions about Providence workers' parking
- Topic for next month:
 - disaster prep

**Next NTNA monthly meeting:
Tuesday, September 15, 2015, 6:30-8:30pm @ 5600 NE Glisan**
