GENERAL MEETING AGENDA

Feb 20, 2024 | 6:30 PM

Hybrid - Community of Christ Church (4837 NE Couch St)
& Zoom <https://zoom.us/j/99699816373>

Neighbors, please join us for a special general meeting of the North Tabor NA. This will be an informational meeting on two interesting topics: a presentation and Q&A in regards to a local housing development in our neighborhood and a topic with regional implications on the earthquake risks associated with the Critical Energy Infrastructure Hub (bulk fuel storage facilities on the Willamette River).

- 6:30 Welcome & Introductions
- 6:35 NTNA Overview and 2024 Clean-up event (Ross Hiner)
- 6:40 57th & Flanders Development (Todd Kent)
 - The development under design proposes to demolish 4 structures on 3 existing lots to construct a 32-unit apartment complex.
- 7:10 Critical Energy Infrastructure Hub Risks (Nikki Mandell)
 - <https://www.multco.us/sustainability/cei-hub-seismic-risk-analysis>
- 7:40 Community Announcements
 - <http://www.northtabor.org/calendar-month-view/>
- 8:00 Meeting Adjourns
 - Next meeting March 19
